Nicole Scherzinger

(feat. Brick & Lace)Y'all ain't ready [x3]Well, how you get 'em girl? Ami down south[Chorus:]

That's how you get 'em girl

That's how you get 'em girl

That's how you get 'em girl

Well, how you get 'em girl? Ami down southEverybody's looking at me (That's how you get
'em girl)

They like the way I turn up the heat (That's how you get 'em girl)

So all let's go get out on the streets (That's how you get 'em girl)

That's how I get 'em girl, Ami down south

[Verse 1:]

Every time I move I feel like they abandon me

Call it intuition but I know they wanna see

Wanna see, wanna see, oh, the curiosity

How far they can take it with this wicky Wahine[Pre-Chorus:]

Don't you wanna pick my Puakenikeni

Don't you wanna pick my Puakenikeni

Don't you wanna catch me in my red bikini

Nothing's sweeter than my Puakenikeni[Chorus:]

That's how you get 'em girl

That's how you get 'em girl

That's how you get 'em girl

Well, how you get 'em girl? Ami down south

Everybody's looking at me (That's how you get 'em girl)

They like the way I turn up the heat (That's how you get 'em girl)

So all let's go get out on the streets (That's how you get 'em girl)

That's how I get 'em girl, Ami down south[Verse 2:]

I see you sudden jam and get a lot closer to me?

Thinking I don't notice, you have been all up on me

50 feet, 50 feet, boy get up off from me

The way I drop my arm and make them rush all over me[Pre-Chorus:]

Don't you wanna pick my Puakenikeni

Don't you wanna pick my Puakenikeni

Don't you wanna catch me in my red bikini

Nothing's sweeter than my Puakenikeni[Chorus:]

That's how you get 'em girl

That's how you get 'em girl

That's how you get 'em girl

Well, how you get 'em girl? Ami down southEverybody's looking at me (That's how you get
'em girl)

They like the way I turn up the heat (That's how you get 'em girl)

So all let's go get out on the streets (That's how you get 'em girl)

That's how I get 'em girl, Ami down south[Verse 3:]

My love is wicked, people want to repeat thisIt ain't incorrectly (They callin' out ya name)
It ain't incorrectly (They gonna start a flame)

That's how I get 'em girl, Ami down south[Outro:]
Don't you wanna pick my Puakenikeni (That's how you get 'em girl)
