

# Fell On Black Days

Chris Cornell

Whatsoever I've feared has  
Come to life  
Whatsoever I've fought off  
Became my life  
Just when everyday  
Seemed to greet  
Me with a smile  
Sunspots have faded  
And now I'm doing time  
Cause I fell on  
Black days  
Whomsoever I've cured  
I've sickened now  
Whomsoever I've cradled  
I've put you down  
I'm a search light soul  
They say but I can't  
See it in the night  
I'm only faking  
When I get it right  
Cause I fell on  
Black days  
How would I know  
That this could be my fate  
So what you wanted to  
See good has made you blind  
And what you wanted to  
Be yours has made it  
Mine  
So don't you lock up  
Something that you  
Wanted to see fly  
Hands are for shaking  
No not tying  
I sure don't  
Mind a change  
But I fell on black  
Days  
How would I know  
That this could be  
My fate
