

# Movin' On

CeCe Peniston

Why'd you think that I  
Would sit here and wait in vain  
Baby I'm movin' on  
'Cause what I want from love  
Is the pleasure and not the pain  
Baby I'm movin' on Didn't I hear you say  
That your love would never change  
But I know that it's over, oh  
But when the story ends  
Why should we both pretend  
When we know there's another  
(Tell me how, tell me who)  
Just tell me the truth  
(Tell me why did you lie)  
I can see it in your eyes  
Tell me where, tell me when  
'Cause it never should have been at all  
But it looks like it's over Why'd you think that I  
Would sit here and wait in vain  
Baby I'm movin' on  
'Cause what I want from love  
Is the pleasure and not the pain  
Baby I'm movin' on, yeah I remember when  
When I was there for you  
Where were you last winter?  
'Cause the thoughts run through my mind  
Of all the times you lied  
And that's why it's over  
(Tell me how, tell me who)  
Just tell me the truth  
(Tell me why did you lie)  
I can see it in your eyes  
Tell me where, tell me when  
'Cause it never should have been at all  
But it looks like it's over Why'd you think that I  
Would sit here and wait in vain  
Baby I'm movin' on  
'Cause what I want from love  
Is the pleasure and not the pain  
Baby I'm movin' on, yeah How could you do this to me  
'Cause now I gotta leave  
Why did you tell me those lies, those lies

And now I gotta say bye-bye  
Bye-bye, baby yeah Why'd you think that I  
Would sit here and wait in vain  
Baby I'm movin' on  
'Cause what I want from love  
Is the pleasure and not the pain  
Baby I'm movin' on Why'd you think that I  
Would sit here and wait in vain  
Baby I'm movin' on  
'Cause what I want from love  
Is the pleasure and not the pain  
Baby I'm movin' on
