

# Bad (feat. Vassy)

David Guetta & Showtek

I said: "Why does it feel so good, so good to be bad?"  
Getting what I want, boy  
Why does that make you so mad? You see, why does it feel so good, so good to be bad?  
'Cause if it's trouble that you're looking for  
Oh, baby, here I am  
Then, baby, here I am I said: "Why does it feel so good, so good to be bad?" I said: "Why does it  
feel so good, so good to be bad?"  
Getting what I want, boy  
Why does that make you so mad? You see, why does it feel so good, so good to be bad?  
'Cause if it's trouble that you're looking for  
Oh, baby, here I am  
Then, baby, here I am  
I said: "Why does it feel so good, so good to be bad?"
