

DJ Play a Love Song (feat. Twista)

Jamie Foxx

I know you see me lookin' at you
And I know he know you lookin' at me
Well... damnDJ won't you play this girl a love song
She really needs to hear this freakin' love song
She's lookin' at me kinda hard,
I can tell that things ain't right on the home front
What she really needs is a G like me to Beat a beat,
beat it, beat it
I can see how you want it baby
Wish ya man wasn't here with ya baby
I can see (ha) curiosity (ha ha)
Gotcha wanna try me (ha ha)
Homeboy can't please ya (ha ha)

But I'm always a G, 'cause I come from the streets
