

# Fuck

## Oliver Tree

[Intro]

Hello, hello, hello, hello

Hell no!

Hello, hello, hello, hello

What the fuck?

Hell no! Who? Me?

Bitch! [Verse 1]

Who turned into irrelevant?

You tried to do, show me proof

Who Tiny Toon? They must have used you

Show me proof, I'm fucking too crude, fuck you too

I'm bustin' through, zoop, I'm comin' through

I'm fucking too crude, fuck you too

I'm bustin' through, zoop

I'm comin' through, I'm bustin' through

[Chorus]

ENOUGH! I fuck it up, bitch, I fuck it up

Now I fuck it up, bitch, I fuck it up

Now I fuck it up, bitch, I fuck it up

Now I show no love, that's why I'm fucking up [Verse 2]

Fuck, lemme get a bit in stuck

Lemme get your mindset, bitch, this what?

Everything I said now, lemme get around

Put me in the ground, probably six feet down

I guess, lemme split your head in two

Bitch, I seen what the fuck you want do?

I guess, lemme get you back on your feet

Bitch, I see what the fuck you really need

[Chorus]

ENOUGH! I fuck it up, bitch, I fuck it up

Now I fuck it up, bitch, I fuck it up

Now I fuck it up, bitch, I fuck it up

Now I show no love, that's why I'm fucking up [Verse 3]

Fuck that little shit

Hit your head, you little bitch

Bitch, I do what I wanna do

It's my number one, you're my number two

Kung Pung with the bass I go

Young man with the face you know

Some shit that ya never seen

Tell me what the fuck you think [Chorus]

ENOUGH! I fuck it up, bitch, I fuck it up

Now I fuck it up, bitch, I fuck it up  
Now I fuck it up, bitch, I fuck it up  
Now I show no love, that's why I'm fucking up[Outro]  
Fuck, bitch, this I've seen  
This is your everything  
Fuck, bitch, this I've seen  
This is my everything  
Fuck, bitch, this I've seen  
This is your everything  
Fuck, bitch, this I've seen  
This is my everything  
(Drop, drop, drop, drop!)
