SPECTRUM
Baby I'm your sister, I'm your mother
I am an angel, I know the truth
did you hear it? When they did scream
Baby I'm your brother, I'm your father
I am an angel, I know the truth
did you hear it? When they did scream
Moon and the stars dry night
did you hide the sun
so sorry sad sister
I just wanna sleep the rest of my life
I am spectrum centuries of
and I forgot how to talk
I know something that nobody knows
