

Never Gonna Feel Like That Again

Kenny Chesney

Friday night butterflies,
like clockwork they'd arrive...
a little chill and the october sky.
nervous till the kickoff game,
four quarters win or lose...
spent saturdays black and blue.
but it was what i love to do,
and it was more than just a game.
It was my life and it was fun.
another season of my life is done.
another race i'm glad i got to run.
another chapter in my life, it's over.
no i'm never gonna feel like that again,
time's rushin' by me like the wind,
never be as young as i was then,
no i'm never gonna feel like that again.
Practice dancin' in my garage,
two left feet and a white corsage.
daddy let me borrow the dodge,
said, "don't bring her home on empty."
swung by and picked up cindy lou,
took her to the prom for a dance or two,
then we drove to the water blue
and that's where she kissed me.
It was my life and it was fun.
another season of my life is done.
another race i'm glad i got to run.
another chapter of my life, it's over.
no i'm never gonna feel like that again
time's rushin' by me like the wind,
never be as young as i was then.
no i'm never gonna feel like that again.
I got a call one july day,
cindy lou was in that way.
had a big decision to make
and i couldn't take it lightly.
at first i thought of leavin' town
but i couldn't let our families down.
now i'm out here throwin' this ball around
with a boy that looks just like me.
It's my life and it's sure fun.
another season of my life's begun.

another race i'm glad i get to run.
another chapter of my life i'm writin'.
no i'm never gonna feel like this again.
time's rushin' by me like the wind,
got to grab each moment that i can,
'cause i'm never gonna feel like this again.
no, i'm never gonna feel like this again.
nooo... i'm never gonna feel like this again.
