

# Tell Me How You Like It

## Florida Georgia Line

[Verse 1]

Do you like it when the meter's jumpin'?  
You like the sound of them horses runnin'?  
Do you like it when the Twitter's tweetin'?  
Do you like it when the backseat's bumpin'?  
Do you like a little kick in your coke?  
Do you like it goin' up in smoke?  
Do you like it on a gravel road?  
Where we can keep it on the down low

[Chorus]

Tell me how you like it (Tell me how you like it)  
You know I wanna try it (Know I wanna try it)  
Baby, if you don't mind it (If you don't mind it)  
We can kick it down to four and you can drive  
Pretty girl, you can ride it  
We can all night it (We can all night it)  
You don't have to hide it (You don't have to hide it)  
Just tell me how, tell me how you like it

[Verse 2]

Do you like it on a riverbank?  
Do you like it when the sun done sank?  
Do you like it when the full moon's high  
And it's shinin' down into your drink?  
Do you like it when the tailgate's down?  
Do you like it when we take it to the ground?  
Tell me, baby, how does that sound?  
Either way, you know it's goin' down

[Chorus]

Tell me how you like it (Tell me how you like it)  
You know I wanna try it (Know I wanna try it)  
Baby, if you don't mind it (If you don't mind it)  
We can kick it down to four and you can drive  
Pretty girl, you can ride it  
We can all night it (We can all night it)  
You don't have to hide it (You don't have to hide it)  
Just tell me how, tell me how you like it

[Verse 3]

Baby, why you gotta look so pretty  
With your hair so soft and long?  
You damn sho' turnin' me on  
Tonight we gettin' out of the city  
Leave it all behind, get a little lost  
Baby, you make the call

[Chorus]

Tell me how you like it (Tell me how you like it)  
You know I wanna try it (Know I wanna try it)  
Baby, if you don't mind it (If you don't mind it)  
We can kick it down to four and you can drive  
Pretty girl, you can ride it  
We can all night it (We can all night it)  
You don't have to hide it (You don't have to hide it)  
Just tell me how, tell me how you like it

[Verse 4]

Do you like it in the shotgun seat  
With the highway flyin' right under your feet?  
Do you like it with the radio on?  
Just tell me how, tell me how you like it  
Do you like it by the bonfire heat?  
If it gets too hot, we can take it to the creek  
I need to know  
Let's make it last all night long  
Just tell me how, tell me how you like it
