

# All the Way to Reno (You're Gonna Be a Star)

## R.E.M.

Humming  
all the way to reno  
you've dusted the non-believers  
and challenged the laws of chance  
now, sweet  
you were so sugar sweet  
you may as well have had 'kick me'  
fastened on your sleeve  
You know what you are,  
you're gonna be a star  
you know what you are  
you're gonna be a star  
Wing  
is written on your feet  
your achilles heel  
is a tendency  
to dream  
but you've know that from the beginning  
you didn't have to go so far  
you didn't have to go.  
You know what you are,  
you're gonna be a star  
you know what you are  
you're gonna be a star  
You know who you are  
you know who you are  
you know who you are.  
Humming  
all the way to reno,  
you've written your own directions  
and whistled the rules of change  
You know what you are  
you're gonna be a star  
you know what you are  
you're gonna be a star  
you know what you are  
you're gonna be a star  
you know what you are  
you're gonna be a star  
Humming  
all the way to reno  
all the way to reno

all the way to reno  
You're gonna be a star, you are  
you're gonna be a star  
you're gonna be a star, you are  
you're gonna be a star
