## **Coming Undone**

## Korn

Keep holding on when my brain's ticking like a bomb Guess the black thoughts have come again to get me Sweet bitter words unlike nothing I have heard Sing along, mockingbird, you don't affect meThat's right Deliver it to my heart Please strike Be deliberateWait, I'm coming undone Irate, I'm coming undone Too late, I'm coming undone What looks so strong, so delicate Wait, I'm starting to suffocate And soon I anticipate I'm coming undone What looks so strong, so delicateChoke, choke again, I thought my demons were my friends Pity me in the end, they're out to get me Since I was young I tasted sorrow on my tongue And this sweet sugar gun does not protect meThat's right Trigger between my eyes Please strike Make it quick nowWait, I'm coming undone Irate, I'm coming undone Too late, I'm coming undone What looks so strong, so delicate Wait, I'm starting to suffocate And soon I anticipate I'm coming undone What looks so strong, so delicate I'm trying to hold it together head is lighter than a feather looks like I'm not getting better not getting better Wait, I'm coming undone Irate, I'm coming undone Too late, I'm coming undone What looks so strong, so delicate Wait, I'm starting to suffocate And soon I anticipate I'm coming undone What looks so strong, so delicate
