

# Me Without You

## Love and Theft

Ohh Like a thundercloud without a chance of rain  
Like a stretch of sandy beach without the waves  
It's like I'm spinning my wheels  
Down a lonely interstate...  
Me Without You It's a picture perfect sky without a view  
It's an empty seat at a table for two  
It's having all the time in the world  
And nothing to do...  
Me Without You  
I've been loving you so long  
I'm a leaf lost in the wind  
I want to be so strong  
But I don't know how to begin  
So I keep holding on  
Cause I don't know what else to do  
I try to be, but I'm not me  
Without you It's a beautiful song to be sung  
But nowhere to sing  
It's this beat up old guitar missing a string  
It's me calling in the middle of the night  
And it just rings  
Me without you  
I've been loving you so long  
I'm a leaf lost in the wind  
I want to be so strong  
But I don't know how to begin  
So I keep holding on  
Cause I don't know what else to do  
I try to be, but I'm not me  
Without you Baby, tonight I'm gonna light your favorite candles  
And open a bottle of my favorite Spanish wine  
Gonna listen to the song that we made love to the first time  
It's all I can do  
It's all I can do... I've been loving you so long  
I'm a leaf lost in the wind  
I want to be so strong  
But I don't know how to begin  
So I keep holding on  
Cause I don't know what else to do  
I try to be, but I'm not me  
Without you
