

# Year 3000

## Jonas Brothers

[Verse 1: Nick Jonas & Joe Jonas]

One day, when I came home at lunchtime  
I heard a funny noise  
Went out to the backyard to find out if it was  
One of those rowdy boys  
Stood there with my neighbor called Peter  
And a Flux Capacitor

[Pre-Chorus 1: Nick Jonas]

He told me he built a time machine  
Like one in a film I've seen, yeah

[Chorus: Nick Jonas & Joe Jonas]

He said, I've been to the year 3000  
Not much has changed, but they lived underwater  
And your great-great-great-granddaughter  
Is doing fine, doing fine

[Verse 2: Nick Jonas & Joe Jonas]

He took me to the future in the flux thing  
And I saw everything  
Boy bands, and another one, and another one  
And another one  
Girls there with round hair like Star Wars  
Float above the floor

[Pre-Chorus 2: Nick Jonas]

We drove around in a time machine  
Like one in a film I've seen, yeah, woo

[Chorus: Nick Jonas & Joe Jonas]

He said, I've been to the year 3000  
Not much has changed, but they lived underwater  
And your great-great-great-granddaughter  
Is doing fine, doing fine

[Bridge: Nick Jonas & Joe Jonas]

I took a ship to the year 3000  
This song had gone multi-platinum  
Everybody bought our seventh album

It had outsold Kelly Clarkson  
I took a ship to the year 3000  
This song had gone multi-platinum  
Everybody bought our seventh album  
(Seventh album, seventh album)

[Pre-Chorus 1: Nick Jonas]  
He told me he built a time machine  
Like one in a film I've seen, yeah

[Breakdown: Nick Jonas]  
I've been to the year 3000  
Not much has changed, but they lived underwater  
And your great-great-great-granddaughter  
Is doing fine, doing fine, oh

[Chorus: Nick & Joe Jonas, and Nick Jonas]  
He said, I've been to the year 3000 (Yeah, yeah)  
Not much has changed, but they lived underwater (Oh, yeah)  
And your great-great-great-granddaughter  
Is doing fine, doing fine, doing fine

[Chorus: Nick & Joe Jonas, and Nick Jonas]  
He said, I've been to the year 3000  
Not much has changed, but they lived underwater (Oh, yeah)  
And your great-great-great-granddaughter  
Is doing fine, doing fine

[Outro: Nick Jonas]  
He said, I've been to the year 3000  
Not much has changed, but they lived underwater  
And your great-great-great-granddaughter  
Is doing fine, doing fine
