

# Wolf at Your Door

Chloe x Halle

[Intro]

All creeps softly in the snow  
Light and tears along a path ('Long a path)  
A knife between her teeth, she roams  
For she is now a stranger[Verse 1]  
Chasin' a fairy tale (Fairy tale), chasin' a lie (Lie)  
But everything changes (Changes) and everything dies (Dies)  
You preyed on my innocence (Innocence), tried to bury my name (Name)  
But now there's ice in my veins, oh[Pre-Chorus]  
There's a wolf at your door  
There's a hound at your heels  
There's a snake in your bed  
Tell me, how does it feel?

[Chorus]

When you let the wolves in  
You let the wolves in  
When you're laying in your bed at night  
When the air's just a little too quiet  
Better hope that you're saying your prayers  
When you think that it's over, I swear  
You think that[Verse 2]  
Up from the ashes (Ashes), run through the fire (Fire)  
Down by the blade that bled us the same  
And the blood won't dry (Dry)  
The monsters that made us (Us), they wrote down their names (Names)  
One by one, I'm gonna dig your graves (Graves)  
[Pre-Chorus]

There's a wolf at your door (There's a wolf at your door)  
There's a hound at your heels (There's a hound at your heels)  
There's a snake in your bed (There's a snake in your bed)  
Tell me, how does it feel? (Tell me, how does it feel?)[Chorus]

When you let the wolves in  
You let the wolves in  
When you're laying in your bed at night  
When the air's just a little too quiet  
Better hope that you're saying your prayers  
When you think that it's over, I swear  
You think that[Bridge]

Ah-ah-ah-ah-ah-ah, ah-ah  
Ah-ah-ah-ah-ah-ah, ah-ah[Pre-Chorus]  
There's a wolf at your door (There's a wolf at your door)  
There's a hound at your heels (There's a hound at your heels)

There's a snake in your bed (There's a snake in your bed)  
Tell me, how does it feel? (Tell me, how does it feel?)[Chorus]  
When you let the wolves in  
You let the wolves in  
When you're laying in your bed at night  
When the air's just a little too quiet  
Better hope that you're saying your prayers  
When you think that it's over, I swear  
You think that
