I'm Gonna Show You Crazy

[Bebe Rexha](#)

There's a war inside my head
Sometimes I wish that I was dead, I'm brokenSo I call this therapist
And she said girl you can't be fixed just take thisI'm tired of trying to be normal
I'm always overthinking
I'm driving myself crazy
So what if I'm fucking crazyAnd I don't need your quick fix
I don't want your prescriptions
Just cause you say I'm crazy
So what if I'm fucking crazy
Yeah I'm gonna show you
Loco, maniac, sick bitch, psychopath,
Yeah I'm gonna show you
I'm gonna show you,
Yeah, I'm gonna show you,
Mental out my brain, bad shit go insane,
Yeah I'm gonna show you
I'm gonna show you
Yeah, I'm gonna show youI've been searching city streets
Trying to find the missing piece like you saidAnd I searched hard only to find,
There's not a single thing that's wrong with my mindYeah, I'm tired of tryna be normal
I'm always over thinking
Driving myself crazy
So what if I'm fucking crazy
And I don't need your quick fix
I don't want your prescriptions
Just cause you say I'm crazy
So what if I'm fucking crazy
I'm gonna show youLoco, maniac, sick bitch, psychopath,
Yeah I'm gonna show you
