

# T.M.I.

## Chloe x Halle

It's too much information  
I ain't gotta hear it  
Keep it to a limit  
It's too much information  
Don't need no altercation  
In this situation  
I don't want to hear it  
It's too much information  
It's T.M.I., T.M.I., T.M.I  
And don't ya ask me why  
It's too much information  
Too much information  
You're trying to tell me this little story  
But I don't wanna hear it  
Na na na na na na  
You're going on and on  
And all I hear is  
Blah blah blah blah blah  
I don't know what to say  
It doesn't matter anyway  
Cause I wasn't listening  
Ha ha ha ha ha  
Just stop talking  
Cause that was a waste of my time  
It's too much information  
I ain't gotta hear it  
Keep it to a limit  
It's too much information  
Don't need no altercation  
In this situation  
I don't want to hear it  
It's too much information  
It's T.M.I. T.M.I., T.M.I  
And don't ya ask me why  
It's too much information  
Too much information  
What are you getting mad for  
Cause I was so bored of your talking  
What you're saying  
Doesn't make any sense  
I ain't listening  
Don't ya get the hint  
Probably not

Cause you're in your little world  
No offense but you ramble like a girl  
Please don't interfere your world with mine  
It's too much information  
I ain't gotta hear it  
Keep it to a limit  
It's too much information  
Don't need no altercation  
In this situation  
I don't want to hear it  
It's too much information  
It's T.M.I., T.M.I., T.M.I  
And don't ya ask me why  
It's too much information  
Too much information  
It's too much for me  
I can't handle it  
It's too much for me  
I can't handle it  
I'm about to lose my mind  
So shut it pretty please  
T.M.I., T.M.I., T.M.I  
Don't ask me why  
It's too much information  
Too much information  
It's too much information  
I ain't gotta hear it  
Keep it to a limit  
It's too much information  
Don't need no altercation  
In this situation  
I don't want to hear it  
It's too much information  
It's T.M.I., T.M.I., T.M.I  
And don't ya ask me why  
It's too much information  
Too much information
