Girl, that's what I'm fiendin', I'll give you the reason

You know your man kill you if he found out you was cheatin'

We both got someone, though, that's what makes it fun, though

You ain't my girl, but I'm into you

Do to your body what he can't do

Ooh, tell me what you wanna do

Forget about him, girl, it's me and you

I know that it's wrong, but it feels so right

And you turn me on, and you just my type

I know that it's wrong, but it feels so right

Man, you turn me on, I could do this every night

[Chorus: MarMar Oso & FineAssLanecia]

Tonight I wanna sex ya, girl, let me caress ya

Love it when we lovin', baby, he don't gotta know nothin', baby

Yeah, I know you want it, keep it our lil' secret

You can't be my man, but I'ma give you what you needin'

Girl, that's what I'm fiendin', I'll give you a reason

You know your man kill you if he found out you was cheatin'

We both got someone, though, that's what makes it fun, though
