

Make It With You

Bread

Hey have you ever tried
Really reaching out for the other side?
I may be climbing on rainbows
But baby here goes Dreams they're for those who sleep
Life is for us to keep
And if you're wondering
What this song is leading to
I want to make it with you I really think
That we could make it girl
No, you don't know me well
In every little thing only time will tell If you believe the things that I do
And we'll see it through
Life can be short or long
Love can be right or wrong
And if I chose the one
I'd like to help me through
I'd like to make it with you
I really think
That we could make it girl
Baby you know that dreams
They're for those who sleep
Life it's for us to keep
And if I chose the one
I'd like to help me through
I'd like to make it with you
I really think
That we could make it girl
