

Devil's Been Talkin'

NEEDTOBREATHE

[Verse 1]

Bag of bones and blood red cheeks
Guilty from the words I speak
Say the truth will set you free
But it won't for me

[Verse 2]

Cause I'm uneasy in my skin
Hangin' on by a thread
Life it hasn't left me yet
But I won't forget

The devil's been talkin'

[Verse 3]

The ship is setting off to sea
But it's sailing without me
I can't help but feel I'm on
An island born to sink

[Chorus]

The devil's been talkin'
We can't change who we are
We are all alone
The devil's been talkin'
We can't change who we are
We are all alone

[Bridge]

I'm running out
Of this hole alone
These fingers bled
Down to the bone
And I can't move
This hell is cold
The chorus sings
This is home

The devil's been talkin'

[Bridge]
I'm running out
Of this hole alone
These fingers bled
Down to the bone
And I can't move
This hell is cold
The chorus sings
This is home

Bag of bones and blood red cheeks
Guilty from the words I speak
Say the truth will set you free
But it won't for me
The devil's been talkin'
