Taught my bitches how to whip it
Now they whippin', fast learners
Chicken heads, whippin' chickens
I felt like a black colonel

St. Laurent, I even had the green light
I blew the horn, c'mon c'mon
Fuck we waitin' on my nigga, move along
Grass is greener on the other side, I never do the lawn
Deepest Water, Seetha Carter made me feel like Peter Parker
Be a Dora, Double R, treat her like Ford Explorer
See no evil neither horror
My bitch eyes chinky Kamora
Run a mile like Jackie Joyner
Bitch should go read a thesaurus

It's MULA baby, know you heard me
Got the game, I'm talkin' early

Twizzy baby, got these bitches swallowin' babies talkin' nurseries
Pocket pull up, Black Eyes Peas
The P from Perc has got me flirty
Model bitches tryna hurt me
Broken mirrors, pull of Fergie
Oh my God it's Cocaina
Kim and Gina had to team up
Tried to run away from this dick
And got some peanut, had to clean up
Got two strikes out in L.A
I get one more, then new Adidas
Niggas call me hustle Westbrook
Sellin' dope off in the bleachers
Niggas call me hustle Westbrook
Sellin' dope off in the bleachers
Trappin' off a walkie-talkie
Tempo over, yeah I read you
That my woadie, that my 'migo
Gettin' loaded off sativa
Move the ride like Russell Westbrook
