

# Summit (feat. Ellie Goulding)

[Skrillex](#)

A silent heart ticking under the ground.  
Taking the weight from which has yet to be found.  
If you can hear me now why don't you recall.  
I was the one who loved you after all. A silent heart ticking under the ground.  
Taking the weight from which has yet to be found.  
If you can hear me now why don't you recall.  
I was the who loved you after all. A silent heart ticking under the ground.  
Taking the weight of which has yet to be found.  
If you can hear me now why don't you recall.  
I was the one who cared after all.  
A silent heart ticking under the ground.  
Taking the weight from which has yet to be found.  
If you can hear me now why don't you recall.  
I was the who loved you after all.
