

Monster

Datsik, 1000volts, Redman & Jayceeoh

You know sometimes in life you gotta be aggressive
You know people push you to that limit of madness
So you need to write music to do that shit
1000volts and Datsik (Yeah)
Let's go Pump the volume and the bass
Pull the mask show my face
White America afraid of my race
Homicidal flow killin' the place
All the way up
Stratosphere at my finger tips
I'm above you niggas
Look at me now
Treat everything like a hair loss
I got plugs for niggas (get 'em)
Ghetto certified credit
After the verse you might need a medic
When they hang with the king like
My blunts come with tiny propellers
You light it, you get excited
Are we a country, are we divided?
No communicating, everything private
But when you talk you might get
I'm so aggressive (I'm so aggressive)
I'm so aggressive (I'm so aggressive)
I'm so aggressive (I'm so aggressive)
I'm so aggressive (I'm so aggressive)
I'm so aggressive (I'm so aggressive)
I'm so aggressive (I'm so aggressive)
I'm so aggressive (I'm so aggressive)

Before my umbilical I was a miracle
One of a kind, look in the mirror at me
And we are not identical
