

# All for You

## Sister Hazel

Finally I figured out,  
But it took a long, long time.  
Now, I'll never turn about,  
Maybe 'cause i'm tryin' There's been time,  
I'm so confused.  
And all my roads,  
Well, they lead to you. I just can't turn and walk away... It's hard to say what it is,  
I see in you.  
Wonder if i'll always be with you.  
Words can't say it,  
And I can't do,  
Enough to prove,  
It's all for you.  
And I thought i'd seen it all,  
'Cause it's been a long, long time.  
Oh, I bottled up and trip and fall,  
Wonderin' if i'm blind. There's been time,  
I'm so confused.  
And all my roads,  
Well, they lead to you. I just can't turn and walk away... It's hard to say what it is,  
I see in you.  
Wonder if i'll always be with you.  
Words can't say it,  
I can't do,  
Enough to prove,  
It's all for you.  
Rain comes pouring down,  
(Pouring down).  
Falling from blue skies,  
(Falling from blue skies.) Words without a sound,  
Comin' from your eyes... Finally I figured out,  
But it took a long, long time.  
Oh, Now, I'll never turn about,  
Maybe 'cause i'm tryin' There's been time,  
I'm so confused.  
And all my roads,  
Well, they lead to you. I just can't turn and walk away... It's hard to say what it is,  
I see in you.  
Wonder if i'll always be with you.  
Words can't say it,  
I can't do,  
Enough to prove,

It's all for you...Well, It's hard to say what it is,  
I see in you.  
Wonder if i'll always be with you.  
Words can't say it,  
I can't do,  
Enough to prove,  
It's all for you...Ohh...  
It's hard to say...Yeah, It's hard to say-ay-hay.It's all for you.
