

# He Could Be the One

## Hannah Montana

Woo! Smooth talkin', so rockin'  
He's got everything that a girl's wantin'  
Guitar cutie, he plays it groovy  
And I can't keep myself from doin' somethin' stupid  
Think I'm really fallin' for his smile  
Yeah, butterflies when he says my name  
Hey! He's got somethin' special  
He's got somethin' special  
And when he's lookin' at me  
I wanna get all sentimental  
He's got somethin' special  
He's got somethin' special  
I can hardly breathe somethin's tellin' me  
Tellin' me maybe he could be the one  
He could be the one, he could be the one  
He could be the one, he could be the one  
He could be the one  
He's lightnin', sparks are flyin'  
Everywhere I go he's always on my mind and  
I'm goin' crazy about him lately  
And I can't help myself from how my heart is racin'  
Think I'm really diggin' on his vibe  
He really blows me away, hey!  
He's got somethin' special  
He's got somethin' special  
And when he's lookin' at me  
I wanna get all sentimental  
He's got somethin' special  
He's got somethin' special  
I can hardly breathe somethin's tellin' me  
Tellin' me maybe he could be the one  
He could be the one, he could be the one  
He could be the one, he could be the one  
He could be the one, he could be the one  
He could be the one  
And he's got a way of makin' me  
feel  
Like everything I do is perfectly fine  
The stars are aligned when I'm with him  
And I'm so into it!  
He's got somethin' special  
He's got somethin' special  
And when he's lookin' at me  
I wanna get all sentimental  
He's got somethin' special  
He's got somethin' special  
I can hardly breathe somethin's tellin' me  
Tellin' me maybe he could be the one  
He could be the one, he could be the one  
He could be the one, he could be the one  
He could be the one
