Burn Break Crash (NOW What's Next!)

Aanysa, Snakehips & Miles Walker

Just for a moment
I went along and lost my focus
You, already know this
Cause in a blink of an eye I was flying
Yet did I mention
I wasn't paying attention
You, look my direction
And in a blink of an eye, I was fallingPromised to look both ways
Watch out where you're going
But I still made the same mistake
Without even knowing
All I wanna do
Is keep on crashing into you
Yeah all I wanna do
Is keep on crashing into you
Into youYeah I wanna burn, break, crash, explode
Everytime you look at me
You look at me, I know
Yeah I wanna burn, break, crash, explode
Everytime you look at me
You look at me, I know
All I wanna do
Is keep on crashing into you
Yeah all I wanna do
Is keep on crashing into you
Into you
So let's go faster
A beautiful, mad disaster
Wait, baby I have to
I gotta pinch, gotta check
I'm not dreaming
I can't escape ya
I try but I can't hate ya
No, it's part of my nature
I gotta pinch, gotta check
I'm still breathingPromised to look both ways
Watch out where you're going
But I still made the same mistake
Without even knowingNow all I wanna do
Is keep on crashing into you
Yeah all I wanna do
Is keep on crashing into you

Into youYeah I wanna burn, break, crash, explode
Everytime you look at me
You look at me, I know
Yeah I wanna burn, break, crash, explode
Everytime you look at me
You look at me, I know
All I wanna do
Is keep on crashing into you
Yeah all I wanna do
Is keep on crashing into you
Into youNow I got you by my side
Now I got you in my life
I'll never be the same
Never be the same
I can't stay and I can't go
Always out of my control
But went up in flames
Going up in flamesYeah I wanna burn, break, crash, explode
Everytime you look at me
You look at me, I know
Yeah I wanna burn, break, crash, explode
Everytime you look at me
You look at me, I know
All I wanna do
Is keep on crashing into you
Yeah all I wanna do
Is keep on crashing into you
Into you
