

For You

Kirk Whalum

Ta ta You Jesus Thinking 'bout the first time I heard Your voice
It wiped away my past
If anyone could tell, this kind of love has gotta last So ta ta Jesus, thank You
I wanna ta ta You Jesus, thank You
I wanna ta ta You Jesus, thank You
For being mine, mine, mine Remembering when I didn't know the Savior
How I wish that He was mine
(So you know what)
I had a little talk with the man upstairs
And I said won't you please come inside
So ta ta Jesus, thank You
I wanna ta ta You Jesus, thank You
I wanna ta ta You Jesus, thank You
For being mine, mine, mine Ain't no love in the whole wide world for me but You, You, it's You
Help them understand, Lord, You're making me a man now, girl
Your love, Your love, love, is so true, so true
So true, so true, so true, so true, so true So ta ta Jesus, thank You
I wanna ta ta You Jesus, thank You
I wanna ta ta You Jesus, thank You
For being mine, mine, mine
I wanna ta ta You, thank You Jesus
I wanna ta ta You, gotta to, I gotta thank You
I wanna ta ta You, I got to thank You for 34 years on earth
I wanna ta ta You, for being mine, mine, mine
Come on and get off your feet if the Lord has been good to You I wanna ta ta You for being
mine, mine, mine
I wanna ta ta You
