

# Rock Steady

## Bad Company

Well, when I...  
Want to rock steady  
Yeah  
I'll know...  
I got to get ready  
Close my eyes and let myself go  
Listen to..., oh  
Baby let the music flow, yeah Turn on your light and stay with me awhile  
And ease your worried mind  
Turn on your light now baby  
And stay with me awhile  
And rock steady  
Yeah...  
Oh  
Now rock steady, yeah  
Rock, rock steady now  
When my love... yeah  
Get's a little bit too heavy  
(rock steady)  
She's mine...  
And I got to get ready, yeah  
Clo-oooh-oooh-ose my eyes  
And I let myself go  
(rock steady) Ooh, ooh  
I've listened too yeah  
And I let the music flow  
Yeah it's flowin' now Turn on your light and stay with me awhile  
And ease your worried mind  
Turn on your light  
And stay with me awhile  
And rock steady  
Oh, yeah  
Oh yeah, yeah... yeah Turn on your light and stay with me awhile  
And ease your worried mind  
Turn on your light  
Stay with me awhile And rock, rock, rock, rock, rock, rock  
Babe turn on your light  
Ooh  
Yeah, I'll be right here  
And ease your wor... ried mind  
Yeah, turn on your little light  
Woo

And rock steady
