

# Hello Good Morning (Remix) [feat. Booba]

Diddy

Hello Good morning tell me what the lip read  
Pretty face, thin waist with the sick weave  
First time fish tailing in the 6 speed  
Real bad boy tell em come and get me  
Im at the fight, been kinda like Bellmen  
Only took the trip to the truck twice  
Unpacked the Mac 11 and air max's  
Stuff six figures in my damn air mattress  
Uh, I'm in love with large bills  
A dime with a fat ass, thin waist and tall heels  
Yeah, it's the teflon Don,  
Hundred carrots in the charm tryna give it back to Sean.  
Hello, Good morning  
Lets go, lets ride,  
Hello, Good morning  
Hello, Good morning  
Know you've been waiting for it  
'cause I seen you watching  
So lets go  
Lets get it popping Cause I've been leaning on the bar  
Looking cleaner than the star  
All these broads wont give me my props  
25 on the bank I be stunting on there ass  
And they mad cause the b-tch won't stop  
Got your boyfriend feeling like a groupie  
(you know, you know, we know, we on that)  
Stuntin like you looking like a movie  
(you know, you know, we know, we on that)  
And everybody know who the truth be  
(you know, you know, we know, we on that)  
I blow cause I'm blowing on the ohh wee  
(you know, you know, we know, we on that)  
Hello I came up in it a little bit self centered  
But did I kill a Queen  
Alexander McQueen's got a wrist on glow  
The bottles is on po'  
Got that shibby shibby yeah shibby yeah ayau!  
What the f-ck I look like b-tch I run this town  
I aint coming out for less than a 100 thou  
Man, the last time I checked I was bubbling out  
Got to turn down shows, out in Dublin now  
Wait wait hold on, maybe they didn't get that here

Like 11 hundred horses when I switch that gear  
 Swerve on them sorta like I missed that dear  
 Press that little button on the sit back chair  
 B-tch I do it lyricsmusicvideo.blogspot.com cause I get it  
 I got billion dollar credit  
 If you got a million dollars you could put it up in (?)  
 I just be like hello hello but I never could salute them  
 Young money I do it for the yout dem!Hello, Good morning  
 Lets go, lets ride,  
 Hello, Good morning  
 Hello, Good evening  
 You blow, you feindin'
