

Say So

Doja Cat

Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused. You want it? Say so
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused. You want it? Say so
It's been a long time since you fell in love
You ain't coming out your shell, you ain't really been yourself
Tell me, what must I do to tell my love?
'Cause luckily I'm good at reading
I wouldn't fuck him, but he won't stop chasin'
And we can dance all day around it
If you front, then I'll be bouncing
If you want it, scream and shout it, babe
Before I leave you dry
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused. You want it? Say so
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused. You want it? Say so (Yeah)
Let me check my chest, my breath
right quick (Ha)
He ain't never seen it in a dress like this (Ah)
He ain't never even been impressed like this
Prolly why I got him quiet on the set like zip
Like it, love it, need it, bad
Take it, own it, steal it, fast
Boy, stop playing, grab my ass
Why you actin' like you shy?
Shut it, save it, keep it, push
Why you beating 'round the bush?
Knowing you want all this woman
Never knock it 'til you try (Yah, yah)
All of them bitches hating I have you with me
All of my niggas saying you mad committed
Realer than anybody you had, and pretty
All of that body I need ass and titties
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?

Didn't even notice, no punches left to roll with
You got to keep me focused. You want it? Say so
Day to night to morning, keep with me in the moment
I'd let you had I known it, why don't you say so?
Didn't even notice, no punches left to roll with
You got to keep me focused. You want it? Say so
