

fOoL fOr YoU

ZAYN

[Verse 1]

This love is tainted, I need you and I hate it
You're caught between a dream and a movie scene
In a way, you know what I mean
When the dark turns to mist, I just can't resist it

[Chorus]

'Cause I'm a fool for you and the things you do
I'm a fool for you and the things, the things you do
The things you do, the things you do

[Verse 2]

When you're looking like this, I just can't resist it
I know sometimes I hide it
But I can't this time cause it's gonna defeat me
But you won't believe me, believe me

[Chorus]

'Cause I'm a fool for you and the things you do
I'm a fool for you and the things, the things you do

[Bridge]

I know, I know given the chance, I'd do it again
'Cause I can't help myself, 'cause I can't stop myself
I just love being a fool for you

[Chorus]

'Cause I'm a fool for you and the things you do
I'm a fool for you and the things, the things you do

[Outro]

This love is tainted
