

# Young and Dumb

## Thunderstorm Artis

I used to live my life and  
Casting out the blame  
Saying that no one  
Nowhere is gonna?make?a change  
So why?would I leave?

Oh prophecies and preachers?would  
Tell me the truth  
But I was blinded and blinded by  
Al the things that I would do  
Cause it was hard to find the truth  
And I was young  
And I was dumb  
There were some things in my life that I probably shouldn't've done

And I sit alone  
And watch the summer sky  
Sing out a song, and I  
Write you a lullaby  
As the world goes by

Said life is a game  
That we're meant to play  
We're all pieces in  
One day we'll all fade away  
As life goes on

But I was young  
And I was dumb  
There were some things in my life that I probably shouldn't've done  
Well I was young  
And I was dumb  
There were some things in my life that I probably shouldn't've done

Oh mother, oh father  
Forgive me for wrong  
All that I've said  
All that I've done  
Now that I see it clear  
I lived for myself, and I  
Gave her my heart  
Lost in a dream  
And oh I fell apart

Can somebody lead me home?

Cause I was young  
And I was dumb  
There were some things in my life that I probably shouldn't've done

Cause we're all searching for something to share  
Something old, someone to care  
Won't you say  
That you feel inside your soul  
But I know, it's hard to find a show (?)

I was young  
And I was dumb  
There were some things in my life that I probably shouldn't've done

Well I've got just  
Just one more story  
Oh something to share  
If any of you know me  
Do you know what I've seen?  
This is a song  
'Bout my life  
All I've learned  
All of the sacrifice  
Of this life I've lived  
And I was young  
And I was dumb  
There were some things in my life that I probably shouldn't've done

See when I was a kid  
My sister told me, "Bro  
You can run and you can run from pain  
When it comes your way"  
So everytime I (?)  
And daddy called my name  
Pulled me in the room  
And told me, "Son, these things  
That you've done were wrong"  
Well he wacked me once  
And he wacked me twice  
But I went running  
Around this house of mine  
Trying to run from the pain

But I was young  
And I was dumb  
There were some things in my life that I probably shouldn't've done
