

# Let Me Live (feat. Anne-Marie & Mr Eazi)

## Rudimental & Major Lazer

[Intro: Mr Eazi]

Rudimental

Major Lazer[Verse 1: Anne-Marie]

As I walk through the world, ah

So many things I see, uh-huh

And then I say to myself "It's never as it seems"

'Cause I am the one, I rule my world

Nobody rule my destiny

'Cause you are the one, you rule your world

No bad man own your destiny[Chorus 1: Anne-Marie]

Leave me alone, let me live my life

Leave me alone, let me live it up, live it up

Leave me alone, make I live my life

Leave me alone, make I live it up, live it up

Leave me alone, let me-

[Verse 2: Anne-Marie]

Are we losing control, or is it meant to be, uh-huh?

Now I've opened my mind, come and set me free

'Cause I am the one, I rule my world

Nobody rule my destiny

'Cause you are the one, you rule your world

No bad man own your destiny[Chorus 1: Anne-Marie]

Leave me alone, let me live my life

Leave me alone, let me live it up, live it up

Leave me alone, make I live my life

Leave me alone, make I live it up, live it up

Leave me alone, let me live my life

Leave me alone, let me live it up, live it up

Leave me alone, make I live my life

Leave me alone, make I live it up, live it up

Leave me alone, let me-

[Post-Chorus 1: Anne-Marie]

Why don't you leave me alone

Yeah, yeah[Verse 3: Mr Eazi]

I will do anything I like

I will sip anything I like

E be me way I get my life

E be me way I get my life

I no say it's alright

I'mma catch some vibes tonight

Everyday, every night, everyday

Feel the love yo[Chorus 2: Anne-Marie, Mr Eazi & Anne-Marie]

Enjoy everyday  
Enjoy da da  
Enjoy your life  
Enjoy everyday  
Enjoy da da  
Enjoy everyday  
Enjoy da da  
Enjoy your life

And I'll go live mine[Chorus 1: Anne-Marie]  
Leave me alone, let me live my life  
Leave me alone, let me live it up, live it up  
Leave me alone, make I live my life (live my life)  
Leave me alone, make I live it up, live it up (and I will go live mine)
