[Verse 1]

Baby freeze, I know a nigga look like 900 keys  
Baby say my ring look like a hundred Ps  
I got college bitches fallin' out calm down breathe  
If yall keep runnin' on the stage then I'mma have to leave  
I'm bout to drop the top so I can feel the summer breeze  
Its a cold blooded motherfuckin rollie on my sleeve  
It feels like I'm the freshest nigga out or is it me  
He getting a lil' money but that nigga isn't me  
G-U-C-C-Icy I'm the one girls wanna see  
G-U-W-O-P I'm the one boys wanna be  
Lil mama got her hair fixed is hers or it weave  
Shit I don't give a damn just know that you look like a queen

[Verse 2]

Can we pretend that I'm your man and that makes you my girlfriend  
And we have a one night stand in my brand new Benz  
And we ain't gotta worry bout nobody peeping in

The windows tinted black so it ain't no lookin in  
Bitches talking bout my house, I think they tryna climb the fence  
They say that when my dick come out that it's a big event  
Pool in my backyard, do you like to swim?  
Cause imma work you out and I'm not talking bout the gym  
Gucci just got out but God damn he goin in  
These lil' boys don't ball like Guwop, he play above the rim  
Women on my page like damn he gettin slim  
Caucasian women see me and be like is it really him?

[Hook]

Tell me that you love me, Gucci, Gucci, Gucci please  
Tell me that you love me, can I be your main squeeze?  
Tell me that you love me, tell me, tell me Gucci please  
Gucci please, Gucci, Gucci, Gucci Please  
Gucci please, Gucci, Gucci, Gucci Please  
Tell me that you love me, can I be your main squeeze?
