I'm Still a Guy

Brad Paisley

When you see a deer, you see Bambi And I see antlers up on the wall When you see a lake, you think picnics And I see a largemouth up under that logYou're probably thinking you're gonna change me In some ways well, maybe you might Scrub me down, dress me up Ah but no matter what Remember I'm still a guyWhen you see a priceless French painting I see a drunk naked girl You think that riding a wild bull sounds crazy And I'd like to give it a whirl Well love makes a man do some things he ain't proud of And in a weak moment I might Walk your sissy dog, hold your purse at the mall But remember I'm still a guy And I'll pour out my heart Hold your hand in the car Write a love song that makes you cry Then turn right around Knock some jerk to the ground 'cause he copped a feel as you walked byI can hear you now talking to your friends Saying, "Yeah girls he's come a long way" From dragging his knuckles and carrying a club And building a fire in a cave But when you say a backrub means only a backrub Then you swat my hand when I try Well now what can I say at, the end of the day Honey, I'm still a guy And I'll pour out my heart Hold your hand in the car Write a love song that makes you cry Then turn right around Knock some jerk to the ground 'cause he copped a feel as you walked by These days there's dudes getting facials Manicured, waxed, and botoxed With deep spray on tans and creamy, lotioney hands You can't grip a tackle boxYeah with all of these men lining up to get neutered It's hip now to be feminized But I don't highlight my hair I've still got a pair Yeah honey, I'm still a guyMy eyebrows ain't plucked There's a gun in my truck

Oh thank God I'm still a guy
