

Any Major Dude Will Tell You

Steely Dan

I never seen you looking so bad my funky one
You tell me that your superfine mind has come undone Any major dude with half a heart surely
will tell you my friend
Any minor world that breaks apart falls together again When the demon is at your door
In the morning it won't be there no more
Any major dude will tell you
Any major dude will tell you Have you ever seen a squonk's tears? Well, look at mine
The people on the street have all seen better times
Any major dude with half a heart surely will tell you my friend
Any minor world that breaks apart falls together again When the demon is at your door
In the morning it won't be there no more
Any major dude will tell you
Any major dude will tell you I can tell you all I know, the where to go, the what to do
You can try to run but you can't hide from what's inside of you Any major dude with half a heart
surely will tell you my friend
Any minor world that breaks apart falls together again
When the demon is at your door
In the morning it won't be there no more
Any major dude will tell you
Any major dude will tell you
Any major dude will tell you
