

# Insane (feat. Moon Holiday)

Flume

You don't have to be afraid  
You don't even have to be brave  
Living in a gilded cage The only risk is that you'll go Go, Go  
Insane  
Go, oh oh, oh oh, oh oh  
Oh, go, go, insane  
Go, oh oh, oh oh, oh oh  
Go  
Go insane  
And go  
Go insane  
And go  
Go insane  
And go, go, go, go insane  
And go Your mind is on track  
For games we play these days  
With every path we take  
You know you're safe, safe, safe  
The only risk is that you'll go insane  
The only risk is that you'll go insane And go  
Go insane  
And go, go, go  
Go insane And go  
Go insane  
And go, go, go  
Go insane  
Go insane  
Go insane  
Go insane  
And go, go, go  
Go insane
