

Don't Rob Another Man's Castle

Eddy Arnold

They say a man's home is his castle he's like a king on a throne
It may be a shack down alongside the track but everything in it's his own
So don't think of taking his loved one it's written Thou shall not steal
Don't rob another man's castle no matter how lonesome you feel
[steel]
Don't rob another man's castle don't take his treasures away
Strange as it seems when you steal a man's dreams
You'll never know then how you'll pay
So don't rob a man of his loved one you'll break his heart don't you see
I robbed another man's castle now someone just stole her from me
