

Free and Easy (Down the Road I Go)

Dierks Bentley

[Verse 1]

Pair of boots and a sack of clothes
Free and easy down the road I go
Hanging memories on the high line poles
Free and easy down the road I go
Free and easy down the road I go

[Verse 2]

Ragweed's rocking on the radio
Free and easy down the road I go
So I keep rolling like an old banjo
Free and easy down the road I go

[Bridge 1]

Got the sun shining on me like a big spotlight
So I know everything is gonna be alright

[Chorus]

Ain't no telling where the wind might blow
Free and easy down the road I go
Living life like a Sunday stroll
Free and easy down the road I go
Free and easy down the road I go

[Bridge 2]

If you only get to go around one time
I'm gonna sit back and try to enjoy the ride

[Verse 3]

I could make a million or wind up broke
Free and easy down the road I go
Can't take it with you when you go so

[Chorus]

Free and easy down the road I go
Someday I know it's going to take me home so
Free and easy down the road I go

Free and easy down the road I go
