

Man

JoJo

[Verse 1]

You know me I just don't stop
I've been down but I'm back up
Know they all?had?a little crush
Now?they all want a little love

[Pre-Chorus]

I've?been gettin' comfortable
On my own sh*t
Loving It
I can't handle it
So if I'm gonna love someone

[Chorus]

Well

Damn, I'm gonna need a f**king man
Someone to want me like a faith
I need somebody who can love me like I love me
Love me like I can, yeah
Damn, I'm gonna need a f**king man
You ruffle me like [?]
I need somebody who can love me like I love me
Love me like I can

[Verse 2]

I've been looking but he's so [?]
Yeah I know that he up there
Who won't step up to the play, yeah
Cause I ain't nobody game, yeah

[Pre-Chorus]

I've been gettin' comfortable
On my own sh*t
Loving It
I can handle it, yeah
So if I'm gonna love someone

[Chorus]

Well

Damn, I'm gonna need a f**king man
Someone to want me like a faith
I need somebody who can love me like I love me
Love me like I can, yeah
Damn, I'm gonna need a f**king man
You ruffle me like [?]
I need somebody who can love me like I love me
Love me like I can

[Bridge]

This is only for man
You gonna love me like I love me
Love me like I can
(Who gonna love me like I can)

[Chorus]

Well

Damn, I'm gonna need a f**king man
Someone to want me like a faith
I need somebody who can love me like I love me
Love me like I can, yeah
Damn, I'm gonna need a f**king man
You ruffle me like [?]
I need somebody who can love me like I love me
Love me like I can, yeah

[Outro]

Love me like I love me
Love me like I can, yeah
