

The Slaughter (Intro)

Slaughterhouse

Fuck that, backpacking in a field on, who the fuck wanna get it on,
get shitted on, for ten minutes long? Battling in the same shirt and slept in
Fuck rap, I'm not dealing with it,
I carve kindness on a bullet, and kill you with it
Yo mom's a slut, a- what the fuck? What is an MC?
An MC is a soldier, who never backs down from any challenge, from any sight.
Well this was the title that was given to us;
Slaughterhouse
No fake MC's allowed.
