

# Nirvana

## Sam Smith

Oh baby, oh baby, oh we both know the truth  
If it were the real me and you,  
This wouldn't be the right thing to do  
Now the room is all hazy, we're too lost in the fumes  
I feel like it's just me and you,  
Yeah we got nothing to lose It's too late to run away from it all  
It's too late to get away from it all  
I'm done with running so I give in to you  
This moment has caused a reaction  
Resulting in our reattachment Will you take me to nirvana?  
I don't think this will last  
But you're here in my arms Oh baby, oh baby, oh, we both feel the same  
I'm not gonna give you my name  
And I don't think you want that to change  
We're in this together, we don't know who we are  
Even if it's moving too fast,  
Baby we should take it too far It's too late to run away from it all  
It's too late to get away from it all  
I'm done with running so I give in to you This moment has caused a reaction  
Resulting in our reattachment  
Will you take me to nirvana?  
I don't think this will last  
But you're here in my arms Will you take me to nirvana?  
I don't think this will last  
But you're here in my arms
