

Over and Over

Tim McGraw & Nelly

Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
I need her so bad, yeah
Cause it's all in my head
I think about it over and over again
I replay it over and over again
And I can't take it yeah I can't shake it
Nooo
I can't wait to see you
Want to see if you still got that look in your eyes
That one you had for me before we said our goodbyes
And it's a shame that we got to spend our time
Being mad about the same things
Over and over again
About the same things
Over and over again
Ohh
But I think she's leaving
Ooh man she's leaving
I don't know what else to do(I Can't go on not loving you)
Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him
I need her so bad, yeah
Cause its all in my head
I think about it over and over again
I replay it over and over again yeahAnd I can't take it yeah I can't shake it
NoooI remember the day you left
I remember the last breath you took right in front of me
When you said that u would leave
I was too damn stubborn to try to stop you or say anything
But I see clearly now
And this choice I made keeps playing in my head
Over and over again
Playing my head
Over and over again
Ohh
I think she's leavingOoh man she's leaving
I don't know what else to do
(I Can't go on not loving you)Cause its all in my head
I think about it over and over again

And I can't keep picturing you with him
I need her so bad, yeah
Cause its all in my head I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
Nooo (Now that I've realized that I'm going down
From all this pain you've put me through
Every time I close my eyes I lock it down oh
I can't go on not loving you) Cause its all in my head
I think about it over and over again
And I can't keep picturing you with him I need her so bad, yeah
Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
Nooo Cause its all in my head
I think about it over and over again And I can't keep picturing you with him
I need her so bad, yeah
Cause its all in my head
I think about it over and over again
I replay it over and over again
And I can't take it I can't shake it
Nooo
Over and Over again
Over and Over again
Cause it's all in my head
