

# Ocean Breathes Salty

## Modest Mouse

Your body may be gone I'm gonna carry you in  
In my head in my heart in my soul  
And maybe we'll get lucky and we'll both live again  
Well I don't know I don't know I don't know don't think so Well that is that and this is this  
You tell me what you want and I'll tell you what you get  
You get away from me  
You get away from me Collected my belongings and I left the jail  
Well thanks for the time I needed to think a spell  
I had to think awhile  
I had to think awhile The ocean breathes salty won't you carry it in  
In your head in your mouth in your soul  
And maybe we'll get lucky and we'll both grow old  
Well I don't know I don't know I don't know I hope so  
Well that is that and this is this  
You tell me what you want and I'll tell you what you get  
You get away from me ()  
You get away from me Collected my belongings and I left the jail  
Well thanks for the time I needed to think a spell  
I had to think awhile ()  
I had to think awhile Well that is that and this is this  
Well you tell me what you saw and I'll tell you what you missed  
When the ocean met, the sky ()  
You missed when time and life shands and said goodbye ()  
When the earth folded in on itself () And said good luck, for your sake I hope heaven and hell ()  
Are really there, but I wouldn't hold my breath ()  
You wasted a life, why wouldn't you waste death ()  
You wasted a life, why wouldn't you waste death  
The ocean breathes salty won't you carry it in  
In your head in your mouth in your soul  
The more we move ahead the more we're stuck in rewind  
Well I don't mind, I don't mind, how the hell could I mind  
Well that is that and this is this  
You tell me what you want and I'll tell you what you get  
You get away from me ()  
You get away from me  
Well that is that and this is this  
Will you tell me what you saw and I'll tell you what you missed  
When the ocean met, the sky ()  
You wasted a life why wouldn't you waste the afterlife
