

Groove With You

The Isley Brothers

[Verse 1]

Oh, I've been thinking of you
And you've been thinking of me
Oh, I'll give all that I have
If you'll give all that I need

[Pre-Chorus]

And oh, oh, oh, let's be fair
And I think it's time we cleared the air
You've been watching me, I've been watching you
You know I've been wantin' to

[Chorus]

(Groove with you)
Girl, speak your mind
(Groove with you)
You been thinking all of this time
(Groove with you)
Oh baby, what I wouldn't do
(Groove with you)
Just spending my days with you

[Verse 2]

Oh, love is all in your eyes
Love fire is burning for me
You stay all in my mind
Oh woman, it's easy to see

[Pre-Chorus]

Oh, let's be fair
You know it's time we cleared the air
You've been watching me, I've been watching you
And you know, you know

[Outro]

(Groove with you)
Oh, I wanna groove, I wanna groove
(Groove with you)
I've been thinking, you've been thinking, thinking of me
(Groove with you)

Oh, what I wouldn't do to groove with you
(Groove with you)
You've been watching, I been watching, watching you
(Groove with you)
And ooh ooh, every chance I get (every chance I get), from the first time we met
I wanna groove with you
I wanna groove (with you) yeah
I wanna groove (with you) yeah
I wanna groove, I wanna groove with you
(Groove with you)
I've been thinking, you've been thinking, thinking of me
(Groove with you)
I wanna groove, groove with you
(Groove with you)
I've been watching me, you've been watching, watching me
(Groove with you)
I wanna groove, groove with you
I wanna groove (with you) yeah
I wanna groove (with you) baby
Listen
Every chance I get (every chance I get), from the first time we met
I wanna groove with you
(Groove with you)
I wanna (Groove with you)
(Groove with you)
I wanna (Groove with you)
