

One Time (feat. Lil Twist, Tyga & YG)

Young Money

I'mma mack, on this ho, one time
Mack on this motherfucking ho one time
I'mma mack, on this ho, one time
Mack on this motherfucking ho one time, ay
If you a pimp, break a bitch
See, I'mma mack, on this ho, one time
If you a pimp, break a bitch I see you looking, what you looking at?
All out of pocket, ho, I'm taking that
You know the life? Bitch, I'm living that
Now do that 100 yard dash and run that money back
I see potential, yeah, you full of that
Be my employee of the week, make a hundred racks
I'm in the Benz, fuck a 'Lac
Space age pimpin', know you heard of that
I'mma mack, on this ho, one time
Mack on this motherfucking ho one time
I'mma mack, on this ho, one time
Mack on this motherfucking ho one time, ay
If you a pimp, break a bitch
See, I'mma mack, on this ho, one time
If you a pimp, break a bitch I'm a mack, baby, spin that crack, baby
Too much money, I'll never fuck a fat lady
Now, that's a fact, baby, sit on my lap, baby
You know the motto: bust a nut then take a nap, baby
You know the motto: if you come through, fuck a nigga
She keep bringing up her boyfriend, I'm like "fuck yo' nigga"
(Hold up!) Ooh, you nasty
Do I like it from the back? That's what she asked me (yep)
What you know about suntans from Blood niggas?
Dressed in all black like Catholic nun niggas
What you know about that Porsche plus that hundred racks?
My old bitch mad, she ain't getting none of that!
Dick don't fail me now, I gotta turn this bitch out
Cause, if I beat that pussy up...
She gon' give me everything in her bank account (400!)
I'mma mack, on this ho, one time
Mack on this motherfucking ho one time
I'mma mack, on this ho, one time
Mack on this motherfucking ho one time, ay
If you a pimp, break a bitch
See, I'mma mack, on this ho, one time

If you a pimp, break a bitch
See, I'mma mack on this motherfucking ho one time
