

# Nervous

## Shawn Mendes

[Verse 1]

I saw you on a Sunday in a cafe  
And all you did was look my way  
And my heart started to race  
And my hands started to shake, yeah  
I heard you asked about me through a friend  
And my adrenaline kicked in  
'Cause I've been asking 'bout you too  
And now we're out here in this room

[Chorus]

I get a little bit nervous around you  
Get a little bit stressed out, when I think about you  
Get a little excited  
Baby, when I think about you, yeah  
Talk a little too much around you  
(I talk a little too much, yeah)  
Get a little self-conscious when I think about you  
(I get a little self-conscious)  
Get a little excited  
(I get a little excited)  
Baby, when I think about you

Yeah, when I think about you, babe [Verse 2]

We walked in the rain, a couple blocks to your apartment  
You told me to come inside, caught me staring in your eyes  
And I'm not usually like this  
But I like what you're doing to me, ah, what you're doing to me

[Chorus]

I get a little bit nervous  
(I get a little bit nervous) around you  
Get a little bit stressed out  
(I get a little bit stressed out) when I think about you  
Get a little excited  
(I get a little excited)  
Baby, when I think about you, yeah  
Yeah, when I think about you, babe (oh yeah)  
Talk a little too much  
(I talk a little too much, yeah) around you  
Get a little self-conscious  
(I get a little self-conscious) when I think about you  
Get a little excited  
(I get a little excited)  
Baby, when I think about you

Yeah, when I think about you, babe[Bridge]  
You got me acting like I've never done this before  
I promise I'll be ready when I walk through the door  
And I don't know why  
No, I don't know why  
Yeah[Chorus]  
I get a little bit nervous  
(I get a little bit nervous) around you  
Get a little bit stressed out  
(I get a little bit stressed out) when I think about you  
Get a little excited  
(I get a little excited)  
Baby, when I think about you, yeah  
Yeah, when I think about you, babe (oh yeah)  
Talk a little too much  
(I talk a little too much, yeah) around you  
Get a little self-conscious  
(I get a little self-conscious) when I think about you  
Get a little excited  
(I get a little excited)  
Baby, when I think about you  
Yeah, when I think about you, babe
