

Highway

Cheat Codes, Sofía Reyes & Willy William

Ain't no love on the highway
If you keep it in park on your driveway
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh)
Spent so long going sideways
I'ma take it all, do it, do it my way
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh) I remember
they had me feeling low
I'd lift my head high
And get back on the road
'Cause when you're not hot
Damn people are cold
Can't make the world stop
But that's the way that it goes
On the highway
Put your feet up, feet up
Hate to see you down
Want you to feel up, feel up
On the highway
C'mon speed up, speed up
I know that you're gonna find another way
It don't have to be like that
It don't have to be like that
You don't have to feel like that
You don't have to feel like that, yeah Ain't no love on the highway
If you keep it in park on your driveway (Yeah, yeah)
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh)
Spent so long going sideways
I'ma take it all, do it, do it my way
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh)
(On the highway) (Ooh-ooh, ooh-ooh)
You ain't gonna go too far
(On the highway) (Ooh-ooh, ooh-ooh)
Chillin' in your broke down car
Willy, Willy
Yo quiero irme lejos de todo
Porque estoy volviendo loco
Ven conmigo, no tenemos mucho tiempo
Just follow me, follow me

No need to go slow
on the highway, freedom, freedom
dee-dee-da-dee-dum, I said you like to come
On the highway, a mi me gusta
But let me chill on my broken car It don't have to be like that
It don't have to be like that (Ooh, na, na-na)
You don't have to feel like that
you don't have to feel like that, yeah Ain't no love on the highway
If you keep it in park on your driveway
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh)
Spent so long going sideways
I'ma take it all, do it, do it my way
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh)
(On the highway) (Ooh-ooh, ooh-ooh)
You ain't gonna go too far
(On the highway) (Ooh-ooh, ooh-ooh)
Chillin' in your broke down car You don't have to, don't have to feel like that
You, you don't have to feel like that
You don't have to feel like that, you don't have to be like that
You, you don't have to, don't have to feel like that
I got to go now Ain't no love on the highway
If you keep it in park on your driveway
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh)
Spent so long going sideways
I'ma take it all, do it, do it my way
You ain't gonna go too far
Chillin' in your broke down car (Mmh-mmh)
(On the highway) (Ooh-ooh, ooh-ooh)
You ain't gonna go too far
(On the highway) (Ooh-ooh, ooh-ooh)
Chillin' in your broke down car
(Ooh-ooh, ooh-ooh)
You ain't gonna go too far
(Ooh-ooh, ooh-ooh)
Chillin' in your broke down car Ain't no love on the highway
Ain't no love on the highway
