

# Fantasy Girl

## Baby Bash

[Marty James]

A fairy tale, a piece of fiction  
Tell me she's make-believe  
Got a body you can never dream of  
She a fantasy fantasy  
She a fantasy fantasy girl  
(Off top, that girl's a beast)  
She's like a real life  
She a fantasy fantasy  
She a fantasy fantasy girl  
(Off top, that girl's a beast)  
She's like a real life

[Baby Bash]

TV, movies and magazines  
Novelas, game shows, and fancy dreams  
Living way lavish on fancy things  
In High Definition HD, so clean  
Playboy bunny like the girl next door  
She's Snow White, I'm Hugh Hefner  
Freshtastic Christian Dior  
With a body of a temple I must explore  
Girl I must incline  
Twerking down low with that ass behind  
Tell me, is I dreaming or you just that fine?  
If you got imagination then imagine mine

[Marty James: Chorus]

A fairy tale a piece of fiction  
Tell me she's make believe  
Got a body you can never dream of  
She a fantasy fantasy  
She a fantasy fantasy girl  
(Off top, that girl's a beast)  
She's like a real life  
She a fantasy fantasy  
She a fantasy fantasy girl  
(Off top, that girl's a beast)

She's like a real life

[Baby Bash]

Quiet like my night, brand new moon  
Look at the allusion across the room  
Day time night girl afternoon  
Doing the most so don't chat perfume  
Now how am I gonna handle this?  
iPhone, Macbook, blu-ray disc  
And she look like she came a video  
You know the one they say shawty get it low  
Sipping sangria, mama mia  
Welcome everybody to my fantasia  
Way more styles than a fashionista  
My freak in the sheets, my diamond diva

[Marty James: Chorus]

A fairy tale a piece of fiction  
Tell me she's make believe  
Got a body you can never dream of  
She a fantasy fantasy  
She a fantasy fantasy girl  
(Off top, that girl's a beast)  
She's like a real life  
She a fantasy fantasy  
She a fantasy fantasy girl  
(Off top, that girl's a beast)

[Marty James:]

You can't spell fantasy, without n-a-s-t-y  
But you better be a real time  
You can't spell fantasy, without n-a-s-t-y  
It don't matter when the clock strikes  
That's how the story go-go-go-goes  
So, work your magic oh  
I got to have it oh  
So let me see your sho-sho-sho-show  
And drop it right here  
Make this money disappear (yea)

[Marty James: Chorus]

A fairy tale, a piece of fiction  
Tell me she's make believe  
Got a body you can never dream of  
She a fantasy fantasy  
She a fantasy fantasy girl  
(Off top, that girl's a beast)  
She's like a real life  
She a fantasy fantasy

She a fantasy fantasy girl  
(Off top, that girl's a beast)  
She's like a real life  
She a fantasy fantasy

She a fantasy fantasy

She a fantasy fantasy girl
