### [Verse 1]

Nine in the morning, the man drops his kids off at school  
And he's thinking of?you,?like all of?us do  
Sends his assistant for coffee?in the afternoon  
Around 1:32, like he knows what to do

She (She), she lives in daydreams with me (She)  
She's the first one that I see, and I don't know why  
I don't know who she is (She, she)

She (She), she lives in daydreams with me (She)  
She's the first one that I see, and I don't know why
