

Shoot Down the Sun

Hook N Sling

[Verse 1]

We don't talk about nothing
'Cause I don't wanna know the truth
We don't let up our feelings
It's the difference in me and you
'Cause you come and you go
And I wake up alone
You're never around for long
And I hope and I pray
And I wish you would stay
But when the morning comes you're gone

[Chorus]

So I, I'll shoot down the sun
I leave us in darkness
'Cause I, I need to feel love
So please don't be heartless
So I, I'll shoot down the sun
I leave us in darkness
'Cause I, I need to feel love
So please don't be heartless[Verse 2]

Another night and you're wasted
The only time you talk to me
So am I foolish or patient?
'Cause I still wanna hear you speak
When you come and you go
And I wake up alone
You're never around for long
And I hope and I pray
And I wish you would stay
But when the morning comes you're gone

[Chorus]

So I, I'll shoot down the sun
I leave us in darkness
'Cause I, I need to feel love
So please don't be heartless
So I, I'll shoot down the sun
I leave us in darkness
'Cause I, I need to feel love
So please don't be heartless[Post-Chorus]
I shoot down, shoot down
'Cause you're only around
When the lights go out

I shoot down, shoot down
'Cause you're only around
When the lights go out[Bridge]
When the lights go out
It's just me and you
When the lights go out
You know what to do
When the lights go out
I can feel your touch
I can feel your love[Chorus]
So I, I'll shoot down the sun
I leave us in darkness
'Cause I, I need to feel love
So please don't be heartless[Post-Chorus]
I shoot down, shoot down
'Cause you're only around
When the lights go out
I shoot down, shoot down
'Cause you're only around
When the lights go out
